HAVE FUN LEARNING SPANISH

"I hear and I forget. I see and I remember. I do and I understand." - Chinese proverb

Project-Based Learning is a teaching methodology that allows students to acquire knowledge by responding to real-life situations. It improves children’s social skills, fosters public speaking and improves critical thinking by creating an environment where they are constantly exchanging ideas, opinions and information.

CHOOSE FROM A VARIETY OF ACTIVITIES, SPORTS AND EXCURSIONS

Camp activities done in multicultural groups instill the values of teamwork and individual responsibility while participants enjoy and create friendships. We also know that learning takes place both inside and outside the classroom, which is why our camps include excursions to immerse the campers in the Spanish way of life and let them experience Spain like a local.

LANGUAGE CLASSES
20 CLASSES PER WEEK

EXCEPTIONAL TEACHERS
We know the difference a great teacher makes in language learning. All of our teachers hold specialist teaching qualifications and have an average of eight to ten years of teaching experience. Their enthusiasm, creativity and dedication to students’ success is what makes Enforex teachers stand out.

EARN A LANGUAGE CERTIFICATE
Each student will receive a certificate and detailed evaluation on their last day of camp.

ENGLISH OR SPANISH CLASSES

Enforex has developed its own teaching methodology which has proved to be very successful. Our teaching approach is designed to build each student’s confidence and fluency in speaking Spanish naturally and spontaneously.

This teaching methodology is inspired by project-based learning which develops not just linguistic skills in the context of language immersion, but also essential strengths such as critical thinking, creativity and teamwork. In addition, we offer a great framework to make language learning more fun and enjoyable at any age.

INNOVATIVE AND PERSONALIZED TEACHING METHODOLOGY
Our proven teaching method is based on project and action learning. A hands-on method where students gain confidence and enjoy learning Spanish while working on real-life projects.

Students will work in teams, brainstorm about their project, evaluate solutions, assign roles to each member, decide on the media in which to present the project (video, photos, poster, presentation, etc.), choose the materials needed, budget and manage their time. Meanwhile, they learn and improve their leadership skills, teamwork, communication skills, emotional intelligence, and confidence.

FINAL EVALUATION
We discuss any issues they came across and how the project could be improved.

On arrival, each camper takes a placement exam which determines their current language proficiency level. At Enforex we teach students at every proficiency level.
At Enforex, we carefully select our camp leaders, coordinators, teachers, directors and counselors based on their experience, expertise and, above all, dedication to the students. Throughout the year, the camp coordination team is dedicated to fully training the new counselors for the upcoming summer.

Every member of our team shares the camp’s philosophy and the dedication necessary to provide the highest quality service. In fact, some of our campers have even ended up becoming camp counselors.

Enjoy new adventures, challenges and opportunities to grow every day at our camps, year after year.
CAMP DIRECTOR

Besides the executive directors of Enforex, the Camp Director at each site holds the highest level of responsibility. He or she works very closely with the coordinators and counselors to make sure the camp runs smoothly and attends to the needs of every camper.

COUNSELORS’ COORDINATOR

One Coordinator is assigned to each group of students: Kids, Junior and Senior, thus creating different campuses within the same facility. The coordinator works closely with the camp counselors to develop and supervise camp activities and ensure that each camper makes the most of their summer.

COUNSELORS

One counselor is assigned to each group of 8-12 campers at every summer camp. They spend 24 hours per day with their group, act as mentors, tutors and caretakers for any need and concern.

TEACHERS

Our summer camp faculty is experienced in teaching young students of various ages and implements a wide array of innovative teaching techniques and activities that speak to every age group and learning type.

OUR LEADERS’ EXPERIENCE

“At Enforex Camps, education is extremely important. We are experienced, trained and have various academic backgrounds so we can concentrate on teaching and having fun. Every year I am more and more excited to return to camp!”
Our activity program is designed to ensure campers’ participation in as many age-appropriate sports, workshops and recreational pursuits as possible.

CULTURAL EXCURSIONS

At least one full-day and two partial-day excursions will be organized for each two-week period to nearby sites of interest. These trips are a good way to introduce students to the great diversity of Spanish culture, food and geography and aim to take full advantage of the special attractions around each camp city.

Enjoy the Spanish culture
Enjoy OUR ACTIVITIES
At least once a week we organize events and activities for campers to get together and enjoy a ridiculously fun night where they can dress up, be silly and enjoy being together. Campers are encouraged to be creative, inclusive and resourceful. Without even realizing it, they develop valuable life skills and practice their second language. These events also help campers make friends and instantly become part of the community. Many of our events are hosted outside and are adapted to the interests of the campers.

Sports help develop valuable skills in young adults including confidence, teamwork, communication, endurance and determination just to name a few. Not to mention health benefits such as coordination, body posture, healthy habits, flexibility, strength and the list goes on! At Enforex, we offer many options for campers to find a sport they enjoy, whether that might be an individual or team sport. Many are exposed to new experiences and discover their new favorite sport.

We carefully select special topics that are culturally enriching and that give our campers the opportunity to learn something new, discover the world around them, develop important life skills (like cooking and writing) and explore their interests. Your little one might discover his or her future career path after discovering a new talent this summer. Our workshops are perfect for sharing new information, yet at the same time are always engaging, interesting and fun.

TRAVEL
back in time

What better place is there to learn, enjoy and explore Spanish culture than in a city with the second oldest university in the world, founded around the year 1200?

Our campus in Salamanca is located in the Colegio Calasanz, one of the most prestigious schools in the city, in the heart of the historic center. The building is a beautiful example of nineteenth-century Salamanca architecture, with a majestic cloister that can be admired from the glassed-in galleries. It has well-equipped sports facilities where you can play soccer, basketball, handball, volleyball, roller hockey and much more, as well as access to a nearby pool. Thus, our campers will be able to combine their language learning with sports and activities, and in passing discover all the reasons why Salamanca has been declared a World Heritage Site by UNESCO.

Junior Program

Ages 14 to 18

THE WORLD IS WAITING

Our Junior Program is geared towards students aged 14 to 18 who wish to live a unique cultural immersion in Spain. Join peers from all different nationalities who, like yourself, wish to improve their Spanish language skills quickly, immerse themselves in the Spanish culture, make friends from all over the world, and prepare for their global future.

The program lasts two or four weeks and is available at our schools in Barcelona, Granada, Madrid, Malaga, Salamanca, and Valencia during the summer or in January term. Participants are housed in our school's student residence or homestays.

What makes this program different from our international immersion summer camps is that students have more freedom to explore the city and its culture by themselves. They also participate in a variety of activities and excursions specially designed for their age and interests.

This course is perfect for students who want to begin communicating as quickly as possible and are eager to experience the culture of their chosen destination firsthand.

You will leave Spain feeling more confident, with improved overall communications skills, fluency in Spanish, and a new sense of independence.

For accommodations, students can choose to stay in host families or a student residence close to the school.

- In the event that Enforex is forced to cancel one of its programs through no fault of the student, or in the event that the student chooses to terminate the contract due to significant modifications in the program as mentioned above, Enforex is not responsible for luminary quality or superior quality or refund the entire amount paid to Enforex for the program.
- Enforex shall not be liable for any kind of penalty when cancellation is due to forceful or sufficient cause (this means circumstances that are beyond Enforex’s control and are unavoidable, despite having acted with due diligence), or when cancellation is due to not having met the minimum required number of people enrolled in the program.
- The differences and/or claims, according to the student, arising during the program stages must be known to the organization in writing, not later than 7 days before departure, in order to provide a satisfactory solution with immediate effect. In the event that the solution proposed by the organization is not satisfied, the student can file a written complaint to Enforex within a period of seven days. Once all relevant documentation has been obtained, Enforex has, in turn, a period of seven days to respond to the complaint. If the period has elapsed from the date the complaint is filed the student.
- In the case of a complaint, Enforex promises to act with due diligence to find the most satisfactory solution for the student.

BINDING RULES FOR COMPLIANCE

The student must respect the rules, customs, and lifestyle the program presents. The student agrees to abide by the rules of the organization, in particular those regarding schedules, attendance, behavior, and conduct with teachers, classmates, school staff and peers. Consumption of alcohol, tobacco, or drugs is strictly forbidden. Failure to adhere to this code of conduct will result in expulsion from the program. If this is the case, Enforex shall have no obligation of any kind when cancellation is due to forceful or sufficient cause (this means circumstances that are beyond Enforex’s control and are unavoidable, despite having acted with due diligence).

ACCOMMODATION

- All students in the homestay program must inform Enforex or the host family in advance of their approximate time of arrival.
- In the event that the student cancels the homestay program 4 weeks or less before arrival, the total invoice must be paid in full at the time of enrollment.
- Enforex does not guarantee accommodation for the family members or friends of enrolled students, as priority regarding available accommodation is given to Enforex students.
- The student will be charged for property damages caused either intentionally or through negligence, and there will be no refunds awarded among all the students in the residence.

CIVIL LIABILITY

Enforex has an accident and civil liability insurance policy that covers minor accidents that may occur within its centers. Enforex is not responsible for the loss or theft of students’ personal property, for which we recommend you take out your own insurance policy. Enforex merely acts as an intermediary between the insurance company and the students who partake in one of our programs. For any complaint, students must contact the insurance company directly.

MEDICAL INSURANCE

- All Enforex students in Spain are covered by a standard insurance policy. To see an overview of the policy you will receive, please visit www.enforex.com/insurance
- If you would simply like to obtain a broader coverage, we advise you to purchase this in your own country.
- In the event that the student is certain that the e-mail has been received. The money will be refunded within 30 days of the official cancellation date.
- The cancellation service must be signed and paid full upon enrollment in order to be valid. You can add extra services but not decrease the coverage.
- If the student cancels the hotel prior to arrival, the student will lose the right to reimbursement of the cost of that service.

PROTECTION OF PERSONAL DATA

In compliance with Spanish Law 15/1999, December 13th, regarding the protection of personal data, Enforex would like to inform you that your personal details with these general conditions will be stored in a database (file A-E56-Enforex is liable and responsible for) and used solely by our commercial and operational departments. By accepting these general conditions, you give your consent to the aforementioned treatment of your personal data and the use for the aforementioned purposes. At any time, you have the right to request that we inform you of your rights to access, correct, and cancel such information within the established terms of the previous legislation. For any issues related to the data processing, contact the following address: Enforex, Gustavo Fernández Balbuena 11, 28002 Madrid (Spain).

Any conflict that may arise between the parties in regards to the interpretation, completion, and execution of this contract will be subject to the jurisdiction of the judges and courts of Spain, where these services are given.

AGREEMENT

- Upon signing the registration form or paying the program fees, the student accepts all of the conditions described above. If under any circumstances, outside of Enforex’s control, accommodation prices increase, Enforex will notify the student ahead of said changes. This price superiorises the previously existing price and will apply from January 1, 2019 to December 31, 2019 for all programs taking place between these two dates.
