### Spain National and Local Holidays 2023

All schools are open year-round. Remember that public holidays falling on a Sunday are often celebrated on a weekday. Classes will start on Tuesday when a public holiday falls on a Monday.

Classes cancelled due to national or local holidays will not be made up or refunded. When more than one holiday falls in the same week (Monday-Friday), either one day of the cancelled classes can be made up or a 20% discount will be applied to the corresponding course week price for a 1-2 week program; if students prefer to receive the discount, they must notify us at the time of enrollment. One-to-One classes will always be made up.

We are not responsible for changes made by central or local authorities.

Please check our website for updated holidays before planning your trip.

[www.donquijote.org/holidays](http://www.donquijote.org/holidays)
Studying Spanish in Spain is about learning a language and a culture, it’s about customs, manners, etiquette, values, music, festivals, and people. That’s why all don Quijote schools include activities that allow you to become truly immersed in the local culture. In addition to the planned activities included in your course, you can book extra experiences depending on your preferences.

The cultural activities that don Quijote offers depend in large part upon the time of year and destination you choose. Each season and city has something different and unique to offer. We recommend that you contact us at infocentral@donquijote.org so we can inform you of the different activities available during your stay.
